LADOT Extends Relaxed Parking Regulations to June 1

Los Angeles, CA (May 15, 2020)

LADOT Parking Enforcement announced today that it will be extending current relaxed parking enforcement regulations until June 1 consistent with extended Stay At Home orders to curb the spread of COVID-19.

While certain parking regulations are relaxed, others remain enforced to ensure that emergency services and other city functions continue operation. See the list below for full details regarding enforcement:

LADOT has RELAXED enforcement for the following categories:

- Residential street sweeping
- Expired registration on a vehicle
- Peak/rush hour and gridlock zone parking restrictions
- No ticket/tow for abandoned vehicles and overnight parking
- Vehicles displaying recently expired permits within preferential parking districts will have a two-week grace period following the expiration to renew

In addition:

- No parking fine increases until after June 1
- Extended grace period for people dropping off or picking up
- Immediate extensions on all deadlines for payments until June 1
- LADOT will supply a temporary, print-at-home permit to residents within a preferential parking district who have renewed their permit but will not receive the new hangtag before their current permit expires

Enforcement CONTINUES for:

- Metered parking
- Time limits within preferential parking districts for vehicles without a valid or recently-expired permit
- Posted time limit zones in residential and commercial areas
- All posted Temporary No-Parking signs
- No blocking emergency access (alleyways, fire hydrants, etc.)
- Colored curb zones
- Parking restrictions for City-owned lots

LADOT continues to adjust operations to assist residents and businesses comply with physical distancing requirements and limit the spread of COVID-19. These include relaxed parking restrictions, deferred payment deadlines for citations, online hearing and permitting procedures, elimination of pedestrian push buttons at intersections with high pedestrian activity, food and retail pick-up parking zones, switching traffic signals to "night mode" to reduce speeding, and service changes on transit lines.
